Re: My Mother's Italian, My Father's Jewish & I'm in Therapy Cookbook by Jane Evers

Dear Brenda,

I would like to take a moment to tell you how delighted we all are with the wonderful job you and your associates at Star Group International did on our cookbook. To say that the book's been a hit is, at best, an understatement. The book has opened dozens of media doors for us: NBC, ABC, CBS, The NY Daily News, WOR Radio & TV, The Martha Stewart Show and many others; in turn, increasing ticket sales and good will in each city we appear.

Additionally, our book sales at the shows and on the internet have been exceptional. We are currently having trouble keeping up with the demand after performances in San Francisco.

On behalf of my associates & co-producers at *My Mother's Italian, My Father's Jewish & I'm in Therapy*, thanks again for your efforts on our behalf.

All the best,

Steve
